

Functional Features	• Combined with a 1.6 large aperture lens, full-color night vision is presented in low-light environments. • Dual PIR lens design (wide-angle PIR + long-distance PIR); to achieve a longer trigger distance and wider angle • 5W monocrystalline silicon solar panel, 7800mAh built-in lithium battery • Built-in microphone and speaker, supporting full-duplex voice communication • Built-in temperature detection module, real-time detection of ambient temperature (optional) • Built-in GPS module for real-time positioning (optional) • Supports cloud storage and local TF card storage. • The APP supports Android/iOS, and the product is stable and reliable. • Small in size, low freight, IP66 outdoor waterproof • Supports Bluetooth network configuration and addition, making the operation simpler. • Uses 940nm infrared night vision, invisible to the human eye • With a 5DB4G antenna, the signal is more stable. • Activity area settings, convenient for defining specific detection areas	
	Product Name	Low-power hunting camera
	Model	MS-HC810T
	master	Junzheng T32ZL
	Image sensor	3 million pixel CMOS sensor 1/3
	Resolution	2304 X 1296/15fps 640 X 360/15fps
	Motion Detection	PIR + Motion Detection, effective range 15-20 meters
	Trigger speed	< 0.5 seconds
	Night Vision Mode	4pcs 940nm infrared light-emitting diodes
	Night vision distance	Effective range is about 20 meters.
	4G module	ASR chip custom low-power module
	lens	4MM
	battery	3X18650 battery pack, capacity 7800mAh
Wake-up	Unidirectional/Bidirectional Dual Mode	
distribution network	QR code scanning + Bluetooth pairing	
system	Linux + Rtos	
Audio	Audio encoding	AAC and G.726
	MIC	High sensitivity - 38dB
video	video encoding	H264/H265
	4G network	Different countries can choose corresponding 4G modules for frequency bands
network	Network Protocol	TCP/IP, HTTP, TCP, UDP, DHCP, DNS, P2P
	SIM card	Nano SIM
Function	Event Alarm	Support
	GPS positioning	Optional
	Temperature detection	Optional
	button	Power button Reset button
	Storage	Supports TF card (up to 128 GB) and cloud storage
	video playback	Event list playback and cloud storage playback
	waterproof grade	IP66
	Full-duplex intercom	Support
	APP	UboxPro, ios10.0, android5.0
	working environment	temperature
humidity		≤80%RH
Package	Weight	0.943KG
	inner box	40.5*36.1*55.5CM
	Carton Size	173*195*105mm
	Quantity	20 PCS
	Weight	19.95KG
